

REMARKS

Although Applicants do not agree with the Examiner's rejections of the claims, Applicants have amended the claims to place the entire patent application in condition for allowance.

Claims 30-37, 40, and 42 have been canceled.

Claim 38 has been rewritten in independent form. Per the Examiner, claim 38 should now be allowable.

Applicants believe the application is in condition for allowance which action is respectfully solicited. Please contact me if there are any issues regarding this communication or the current Application.

Respectfully submitted,
